

Cynllun Gwella Amgylcheddol Cathays Cathays Environmental Improvement Scheme

Cynhaliodd Cyngor Caerdydd ymgynghoriad cyhoeddus yn mis Hydref 2019 i holi barn y gymuned am y gwelliannau arfaethedig ar dair ffordd bengaead yng Cathays. Cafwyd llawer o adborth positif yn ystod y sesiwn ymgynghori ac mae'r cynlluniau wedi'u diwygio mewn ymateb i'r barnau ac awgrymiadau.

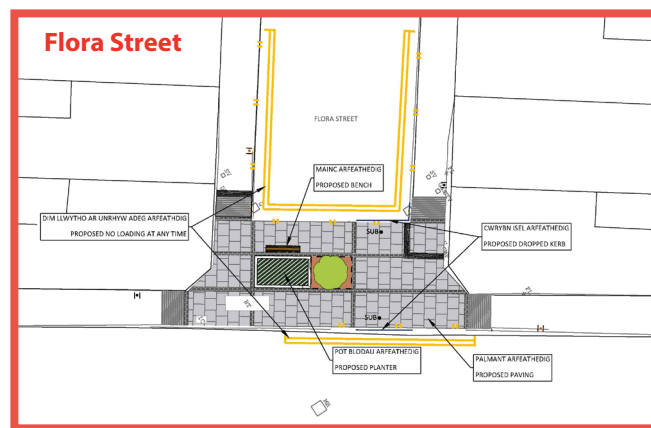

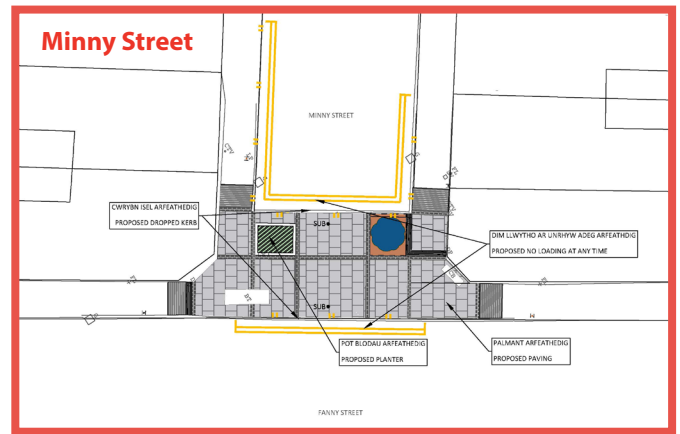

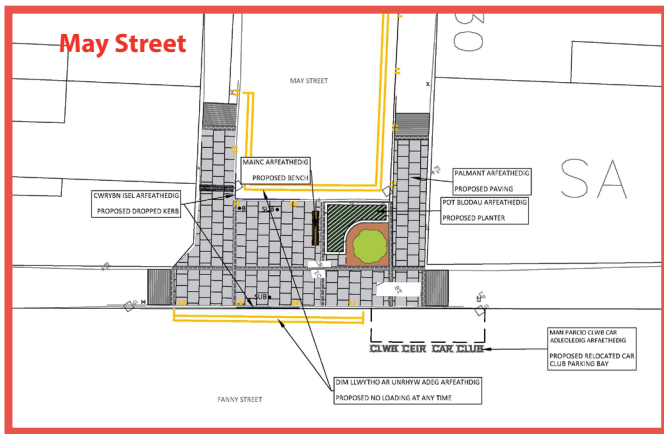

Cardiff Council held a public consultation in October 2019 to obtain views from the community regarding proposed improvements to three road end closures in Cathays. A lot of positive feedback was received during the consultation session and the plans have been amended to accommodate views and suggestions.

Mae'r gwelliannau'n cynnwys:

- Arwyneb a rennir ar gyfer cerddwyr a beicwyr
- Gosod arwyneb newydd
- Meinciau
- Planhigion
- Bolardiau newydd

The improvements include:

- Shared surface for pedestrians and cyclists
- Resurfacing
- Benches
- Planters
- New bollards

Mae Horan bellach wedi'i benodi'n Brif Contractwr i gyflawni'r gwaith ar ran y Cyngor a fydd yn dechrau ar Chwefror 17, ac a fydd yn para am saith wythnos.

Horan have now been appointed as Principle Contractor to carry out the works on behalf of the Council which will commence on the 17th February, with an anticipated duration of 7 weeks.
