## *Neighbourhood Renewal Scheme*

### Public Consultation Update

In July we asked you for your views on the proposed Bedford Street Neighbourhood Renewal Scheme. Thank you to everyone who attended the drop in sessions and completed the surveys.

You were very supportive and enthusiastic about the scheme and many of you told us you would like to be involved in the planting and maintenance of the tree pits along Bedford Street with the Roath Residents Action Group (RRAG). If you would like to join the growing team of volunteers please email us with your name and address so we can forward your details to RRAG. This is an exciting opportunity for you and your neighbours to take ownership of your street and make it one you can be proud of.

Following the public consultation the proposed scheme has been amended by omitting the bench by the Tavistock pub, including additional bollards to prevent parking on the footways at Bedford Street and placing double yellow lines at the junction of Bedford Street and Penlline Street.

### Next Steps

Detailed designs have been prepared and we are currently undergoing the tender process to start the work this Autumn.
