

Cardiff Council recently completed the improvements to Hodges Square. In order to assess the scheme and learn from experiences of local residents, we conducted **door to door** feedback surveys. In total we surveyed **78** properties and received a **52%** response rate.

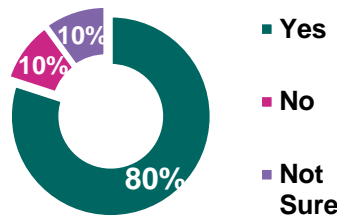

Overall, Are you satisfied with the completed scheme?

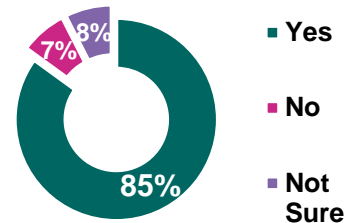

Do you think the area has improved as a result of the regeneration scheme?

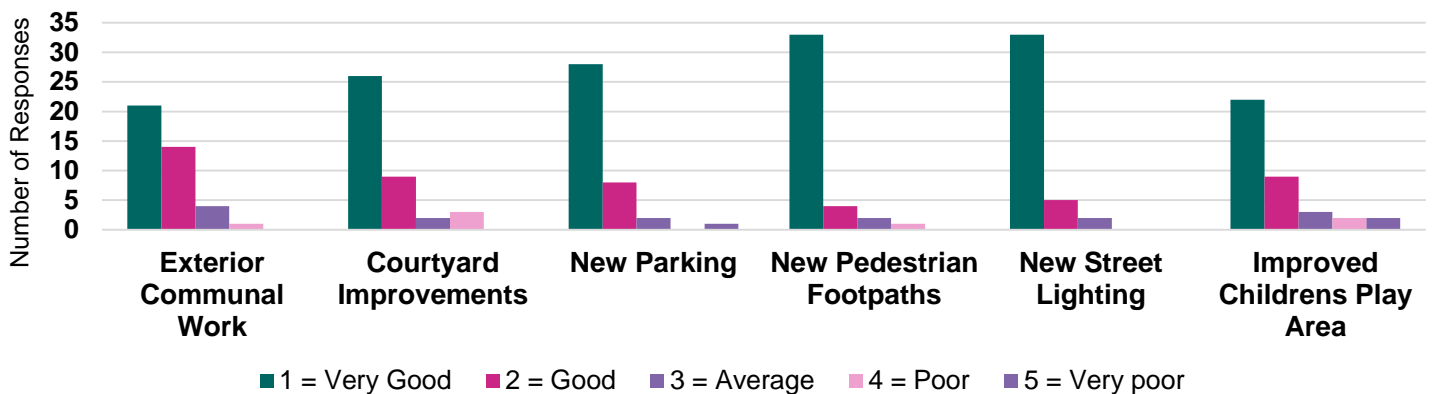

Do you feel you were kept informed about the work?

Do you feel the disruption was kept to a minimum?
