

St Mellons Hub

The new St Mellons Hub opened its doors to the public in August 2018. Construction of a major new extension and refurbishment of the existing building has transformed the Hub into a modern community facility.

The new Hub offers a range of services and facilities including:

- Housing, Benefit and Advice services
- Library service including children's corner
- Public PC's, free internet and Wi-Fi access
- Into Work Advice and training courses
- Rooms for community meetings and events
- Community Café & Training Kitchen
- Youth Den and music recording studio
- Multi-purpose Community Hall
- Outdoor multi-use games area
- Flying-Start crèche
- Community police office.

There has been positive feedback from customers who have been impressed by the design and layout of the Hub, and the variety of programmes and activities on offer.

A Welsh Government grant was received towards the £4M project.
