

Belmont Walk/Alice Street Environmental Improvement Scheme Survey Results 2019

Face to face surveys were conducted with the local residents for feedback on the project. In total we spoke to 30 residents who were happy to provide their comments.

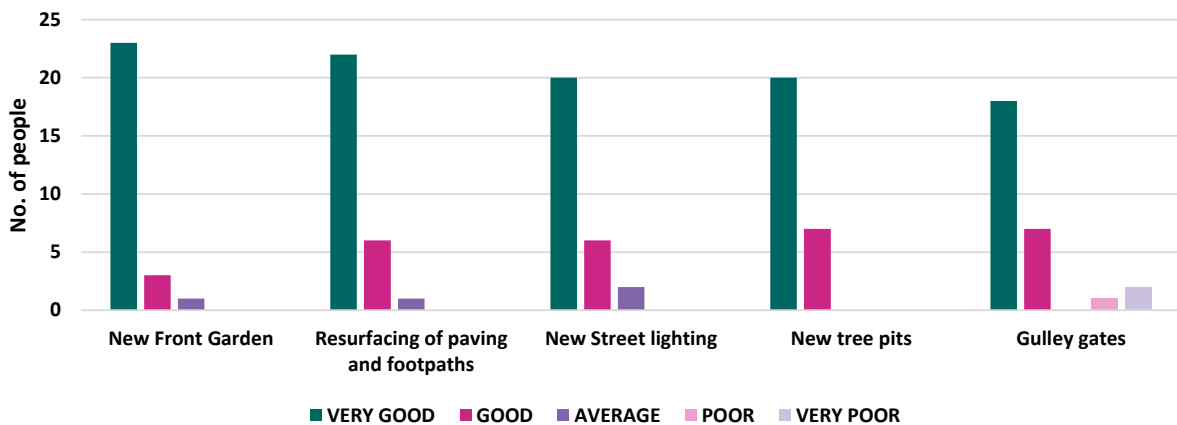

Do you think that the area has improved as a result of the regeneration scheme?

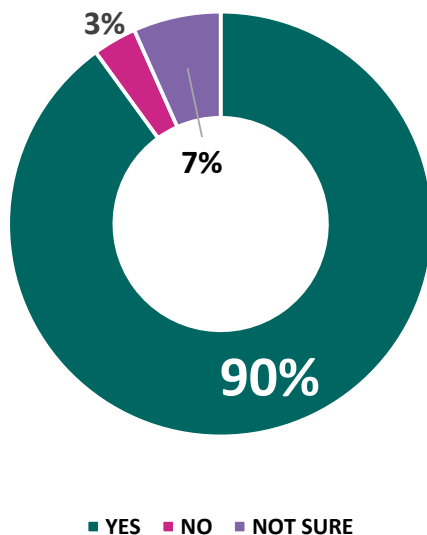

Do you feel that disruption was kept to a minimum and you were happy with the conduct of the contractors?

Please rate the following aspects of the project:

Overall, are you satisfied with the completed scheme?

Comments

"Yes the contractors kept us informed on every level"

"It was all done with a high finish"

"The project uplifted the area and has made it aesthetically pleasant."

"Very happy"
